To Whom It May Concern

Sirs,

I would like to recommend Alex Koch to you as I strongly believe in his extraordinary ability as a composer, musician, technologist, and teacher.

I have produced several major recording projects with him. His work is always beyond my expectations, and I'm indeed very pleased to recommend him without any reservations.

I speak with over 40 years of experience in the music business and am a Grammy winner. You can find more about my qualifications and authority to make this judgment about Alex. I am listed in Wikipedia, Google, and YouTube for your reference.

If you have any other questions about Alex I am available to answer any questions you might have,

Sincerely,

Robert Margouleff
